

A CPD Event for Professional Accountants & Finance Professionals in the Public Service

“FINANCIAL LEADERSHIP FOR SUSTAINABLE PUBLIC FINANCES”

Thursday, 21st November 2019

at the Institute of Public Administration, 57-61 Lansdowne Road, Dublin 4.

The Institute of Public Administration (IPA), in partnership with the Association of Chartered Certified Accountants (**ACCA**), the Chartered Institute of Public Finance and Accountancy (**CIPFA**) and also in association with the Chartered Institute of Management Accountants (**CIMA**) presents today's CPD seminar for Professional Accountants.

Speakers include:

Seamus Coffey:

Seamus is Chair of the Irish Fiscal Advisory Council, a position he has held since 1 January 2017, having originally become a member of the Council in 2016. He is a Lecturer in Economics in the Department of Economics in University College Cork, with his research and writing focusing on the performance of the Irish economy.

Kevin Prendergast:

Kevin joined IAASA in November 2016 following a decade in the Office of the Director of Corporate Enforcement culminating in his role as Head of Enforcement. Prior to this, he worked in the Large Cases Division of the Revenue Commissioners. He also has several years' experience in the private sector including a number of years working in an audit firm.

Aidan Horan:

Aidan Horan is a director at the IPA with overall responsibility for governance and assurance services. A qualified accountant, he is leader of the governance specialist team at the Institute and is the founder member of the Governance Forum at the IPA.

Breda Rafter:

Breda is an Assistant Principal Officer in the Dept. of Public Expenditure and Reform (DPER) with responsibility for Government Accounting. She will provide an update on the progress of the financial reporting reform.

Neil O'Brien:

In 1998 following a 24-year career in banking Neil founded 'Time to Fly!' and since become one of Ireland's top thinkers and speakers on the topic of mental fitness. Neil has worked with a range of blue chip companies as well as coaching elite and professional sports people on their mental fitness and has advised Ryder Cup golfers, pro and elite athletes.

Brian Haugh:

Brian heads up the Valuations and Financial Modelling service in BDO. He is also a leading member of our Healthcare Consulting team having specialised in the area since joining the firm in 2012. Brian specialises in advising Public Sector and Healthcare clients in relation to the deployment of capital and development of assets. He utilises financial modelling tools to assist clients in the completion of feasibility studies, development appraisals, strategic and financial reviews so that they can make fully informed business decisions.
