The Institute of Public Administration (IPA), in partnership with the Association of Chartered Certified Accountants (ACCA), the Chartered Institute of Public Finance and Accountancy (CIPFA) and also in association with the Chartered Institute of Management Accountants (CIMA) presents today's CPD seminar for Professional Accountants.

### Speakers include:

#### David Watkins:

David, currently serves on the International Monetary Fund Panel of Experts and has been a team member on a number of missions relating to improving government financial reporting. He is also a technical adviser to the Chair of IPSASB.

#### Breda Rafter:

Breda is an Assistant Principal Officer in the Dept. of Public Expenditure and Reform (DPER) with responsibility for Government Accounting. She will provide an overview of the OECD Report on Financial Reporting in Ireland, presenting key findings and recommendations for financial reporting reforms.

#### Robert Kirk:

Robert will be speaking about the developments that have taken place since the introduction of FRS102 and will provide guidance on the changes that are now relevant for 2019.

#### Fiona Feeley:

Fiona will be dealing with mental and physical wellness for business and individuals. She is a mental health activist and public speaker implementing time and stress management techniques to corporations along with physical and mental strategies to improve overall balance.

#### Niall Cavanagh:

Niall is assistant commissioner for the Data Protection Commission and is responsible for Technical Advice on Breach Notifications, Inquiries and Investigations.

#### Tom Brett:

Tom is a leading training portfolio manager, where he is involved in quality control, reviewing and setting the direction of training and working with clients with specific training needs within CSIR (Cyber Security and Information Resilience).
