LGMA Project Updates

Linda Guthrie

HIS Conference 30th March 2022

Voting App

LGMA
Local Government
Management Agency

Current Status

- Testing planned with 3 Local Authorities and LGMA yesterday in LGMA 365 environment
- Next steps to install in each Local Authority (Fingal, Kildare, Cork County Council)
- Evaluation post pilot testing
- Per app licencing used €3.71 per user per month (if already using a number of power apps, a per user licence (€14.84 per user per month) might be more value). Buy off Dynamics Agreement if using per user.

Innovation

LGMA
Local Government
Management Agency

LGMA Innovation Ambition

"***To be an innovation partner and influencer, promoting and supporting innovation across the local government sector***"

Communication & Support

LGMA to support, promote and influence innovation in the sector – become the trusted partner to all local authorities by:

- Creating and supporting the LA Innovation Reps network
  - Quarterly meetings
  - Conduit to share information & ideas
  - Engagement & representation with DPER Innovation team

Creating time/space to Innovate

Provide an innovation 'space' both physically and psychologically to facilitate innovation in the local government sector:

- Development of "The Spark" innovation space in Phoenix House
- Hosting of training, setting challenges and providing innovation support to local authorities.

LGMA Innovation Ambition

"To be an innovation partner and influencer, promoting and supporting innovation across the local government sector"
